

IRRADIATION COMMENT FORM

attention FDA: keep irradiation labeling!

Re: Docket # 98N 1038,
"Irradiation in the
Production, Processing,
and Handling of Food"

1999 JUL 19 ASR

TREATED WITH
IRRADIATION

Although I do not know the whole truth behind irradiation and its effects, when I do, I would find it absolutely necessary for irradiated products to be labeled so. Do not compromise on this awfully significant issue.
